TERMS AND AGREEMENTS

The Application for Event Participation ("Application") constitutes a legally binding document. By signing this Application or by attending the event and/or receiving the event materials and/or hearing speaker comments, the delegate ("Delegate") and delegate's employer ("Employer") (Delegate and Employer may also be referred to as "You" or "Your") agree to be bound to the following terms and conditions. These terms and conditions may not be varied except by prior written agreement between the parties. These Terms and Agreements are in addition to any written agreement between CERA and You governing subscription to CERA's advisory services (e.g., an Enterprise License Agreement "ELA"), and such written agreement determines the number of event seats available to You.

Substitutions and Cancellations Policy: (a) Non-subscription-based seats: Delegates who purchase event seats outside of the scope of an ELA or similar written agreement may send a substitute colleague from within the same organization to attend the event. CERA reserves the right to refuse attendance to the event to substitutions who have not been authorized by CERA. You agree to provide CERA with written notification of the name of the substitute. Substitutions will be accepted up to the start of the event. If CERA receives written notification to cancel at least ten (10) US business days prior to the event, CERA will refund the fee paid. (b) Subscription-based Seats: Cancellations are not permitted for Delegates who purchase event seats by virtue of the terms of an ELA or other similar written agreement. However, such Delegates may send a substitute colleague from within the same organization to attend the event. CERA reserves the right to refuse attendance to the event to substitutions who have not been authorized by CERA. You agree to provide CERA with written notification of the name of the substitute. Substitutions will be accepted up to the start of the event. (c) CERA reserves the right to vary, postpone, or otherwise cancel an event where the occasion necessitates. If CERA cancels the event, You shall be entitled to a refund. CERA accepts no other liability if, for whatever reason, the event does not take place.

Delegate and Employer will be jointly and severally liable for payment of all the fees due to CERA within 30 days from the date of an invoice and shall additionally be responsible and liable for interest on past due sums at the lesser of the maximum legally chargeable interest rate or 18% per annum.

CERA prohibits unsanctioned hosted hospitality suites or receptions, group invitations to conference delegates for private events, and the distribution and display of marketing materials and logos. You agree that the event materials are the confidential, copyrighted proprietary and/or trade secret property of CERA. CERA maintains final editorial authority over all associated event material. Subject to payment of the applicable fees, CERA hereby grants and You accept a nonexclusive, nontransferable right and license to use the event materials only for Your internal business purposes, and not for sale, sublicense, or other disclosure to or for a third party. CERA reserves the right to acknowledge all delegates and employers in the event, including other industry players and representatives of government. ALL EVENT MATERIALS ARE PROVIDED "AS IS," WITHOUT WARRANTY OF ANY KIND. ALL WARRANTIES, EXPRESS OR IMPLIED, WRITTEN OR ORAL ARE HEREBY EXPRESSLY DISCLAIMED AND NEGATED. TO THE EXTENT PERMITTED BY LAW, IN NO EVENT WILL CERA OR ITS PRESENTERS OR SPEAKERS BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, LOST PROFIT, LOST ROYALTIES, LOST DATA, PUNITIVE, AND/OR CONSEQUENTIAL LOSS. You agree to comply with all applicable conventions, laws, rules, regulations of incident to any or all of its activities contemplated by this Application including, without limitation, the US Export Administration Regulations, the US Foreign Corrupt Practices Act, and the US antiboycott regulations. Event participation is at the sole discretion of CERA. CERA reserves the right to refuse to authorize an Application.

Data Protection Policy: CERA may periodically contact you with details of programs and services that may be of interest to you and may pass your details to its affiliates and subsidiaries within the IHS Inc. group of companies. Please write to CERA Client Services if you do not wish to be included in this activity.
